Resources for Schools

*“Children achieved a huge amount in one day. It was fantastic!
The children benefited greatly from the way it was approached.”*

Nina Parker & Steve Franklin, Peterbrook Primary School

This fun and inspiring cross-curricula experience for Key Stages 1 & 2 can be tailored to your school’s specific requirements!

From an assembly for the whole school to interactive class teaching for every class in one day. Chose from **Community or **Identity** or book both!**

Workshops are highly interactive including dynamic drama games, discussion and thought-provoking exercises to enable children to learn in a variety of interesting ways.

Community Citizenship Day

.....

Rules: Exploring what rules are, the different types of rules that exist in the home, school and community and how we can help shape these rules

Roles: What is our personal role at home, school and in the community? Looking at the significance of different choices and also the responsibilities we play within community.

Relationship: How can we relate to one another in our different relationships? Looking at the importance of respecting, forgiving and caring for one another and the affect this has on us, and those around us.

Identity Citizenship Day

.....

Who am I?: Helping us to understand our worth as individuals, identify positives in ourselves and in what we do.

What Shapes me?: Looking at how various outside influences such as home, school and our community can affect how we behave. Where do we find our values and how can we resist bad pressures, such as peer pressure and bullying, in our lives?

Who am I to become?: Exploring the importance of making positive choices and decisions in our lives and how to overcome difficulties. Recognising ambitions and learning to set ourselves goals for both now and the future.

With 10 years of resourcing schools with RE, Citizenship and SEAL productions and workshops, Rhema are an exciting and experienced company to take you deeper into Citizenship.

Assemblies start from £95* (includes a Free Teachers’ Resource Pack)
Products range from assemblies to a full day or two with every class experiencing interactive and creative Citizenship.
