

INTERACTIVE THEATRE DAYS

Your pupils performing a play in a day!

An action-packed day of drama workshops helping children build a moral foundation whilst having fun!

Our **INTERACTIVE THEATRE DAYS** have been designed to build teamwork, self-confidence and communication skills. By using well-known bible stories, these workshops encourage pupils to develop their own ideas, share their opinions and make group decisions. And, if that wasn't enough, by the end of the day they'll have their own performance suitable for an assembly to the whole school!

A jam-packed day full of drama games, discussion and moral learning!

We also offer fun, action-packed shows for your whole school to watch based on the RE and Citizenship curricula. When booking our current schools show with an **INTERACTIVE THEATRE DAY** we'll offer you a **£50** reduction on your booking
