# Schools' R.E. Day!

**Need an approach to teach RE creatively?**

**Need a fresh and engaging way  
to fulfil curriculum objectives?**

**Want an exciting and interactive way of ticking  
lots of OFSTED boxes all at the same time?**

**Benefit from a Free Teachers' Resource Pack  
for Key Stages 1&2?**

**Our Schools R.E. Day works directly alongside  
the national RE Curriculum and links with the SEAL initiative!  
A fun and inspiring cross-curricula experience!  
Tailored to your school's specific requirements!**

Rhema's **Schools' R.E. Day** creatively explores the Bible for Key Stages 1&2!  
From an assembly for the whole school to interactive class teaching for a whole day

*“It was great because you told us stories from the Bible in an interesting way, and I learned a great deal about Christianity.”*

Holly Theborne

## Schools' R.E. Day

An interactive and educational class experience, exploring the chosen topic using fun, drama and role-play with great discussions. We can start the day with an interactive assembly for the whole school as an introduction to the day's theme.

## Christianity

What is at the heart of Christianity? A highly interactive and stimulating experience focusing on the main themes of the Christian faith.

## Creation

What does Christianity teach about the creation of the world? Emphasising our responsibility to take care of ourselves, each other and our planet.

## 10 commandments

Looking at the importance of rules and the vital role they play in our relationships, school and society as a whole. With interactive rhymes and great discussions!

**With 10 years of resourcing schools with RE, Citizenship and SEAL productions and workshops, Rhema are an exciting and experienced company to take you deeper into R.E.**

Assemblies start from £95\* (includes a **Free Teachers' Resource Pack**) Products range from assemblies to a full day with every class experiencing interactive and creative RE. Please call for further information.
